Dear Mrs. Sargent:

STATINTL [REDACTED] This is to acknowledge receipt of your undated letter to Mr. [REDACTED] which was received in this Office today. In the letter you inquire about your claim for the cost of repairing your vehicle which was damaged in an accident with a vehicle belonging to this Agency.

There appears to be some confusion as to the exact cause of the accident. In your claim, you state that you were making a left turn, whereas in the accident report submitted by the Agency driver, it is stated that you were making a U-turn. Thus, I am investigating these conflicting facts, and would appreciate whatever additional information you can provide that would help me resolve the matter.

Sincerely,

STATINTL
